Jojoba Beads are available in a variety of sizes for product customization.

Custom colors and color matching for the Jojoba Beads are available. Minimum order quantities may apply.

Jojoba Beads 16/60 *NEW* [250-1180 MICRONS]

- Combines many bead sizes for a wide range of visualization and exfoliative efficacy.

Jojoba Beads 16/20 [850-1180 MICRONS]

- Maximum visual impact with the largest beads.

Jojoba Beads 20/40 [425-850 MICRONS]

- Good visual effect and aggressive exfoliation. For tougher skin areas such as feet.

Jojoba Beads 28/60 [250-600 MICRONS]

- Applies widely to most body scrubs, shower gels, body polishes and exfoliating face masks.

Jojoba Beads 40/60 [250-425 MICRONS]

- Fine exfoliation for delicate skin areas such as facial cleansers, as well as lip and cuticle exfoliators.

Jojoba Beads 60/100 [150-250 MICRONS]

- Smallest jojoba beads for light exfoliation, great for sensitive skin and facial products.

Jojoba Soft Beads *NEW*

- Soft, melting, multi-sized beads leave a long-lasting emolliency after gentle exfoliation.

Jojoba Meal [250-600 MICRONS]

- Fine particles of crushed jojoba presscake left after mechanical extraction of jojoba oil.
